

“FEI Cargo Limited is an Unlimited Growth Company”

Opportunities at The FEI Group of Companies.

FEI is looking out for a strong **leader** with great communication and interpersonal skills to take care of our Delhi branch.

If You are a self-propelled person with strong motivational skills to lead a team of 30 odd experienced personnel, then you are our man.

The need is not for new **horizons**, but new **spectacles** with which you can see the existing horizons.

Apply strictly in confidence, if you are confident to take over and lead.
